LONG HITS FEATURE GAME IN MT. VERNON

Popejoy and Mills Drive Ball To Extreme End of Cen-ter Field Fence

Mt. Vernon started the Mt. Vernon-Utica series with a victory Sunday afternoon at Athletic park. The score was: Mt. Vernon 7, Utica 4.

Although Utica had sought to strengthen by importi gna pitcher, Carpenter, formerly of the New York Yankees, he was no great puzzle to Mt. Vernon. Other than the fielding of Bodie in left field the fetures of the game were the batting of Hender-son, Berry, Mills and Popejoy. Mills and Popejoy each made longer hits than ever before had been made on the local field. Both drove the ball to the fence in center field. Popejoy was able to make a home run on his hit while sharp fielding by Utica held Mills at third.

The same teams will play next Sun-day, weather permitting.

NEW DEPARTMENT IN AUDITORIUM

Mechanical Drawing Depart-ment Has Unique Quarters In High School

The mechanical drawing depart-ment of the Mt. Vernon high school is now being conducted in the auditor-ium, according to announcement made by Supt. Elliott today.

While the auditorium is not a fitting place for a class room, ac-cording to Supt. Elliott, yet the new quarters afford a splendid light for drawing work.

Since the mechanical department has been moved to the auditorium the basement is now being used exclu-sively by the manual training classes, thus affording more room for this department.

Members of the city council will meet in regular session this evening at 7:30. The calendar awaiting the attention of the legislators is under-stood not to be a heavy one.

It is desirable that the de-nominations of certain bonds be changed to facilitate disposition. Be-fore this can be done, an ordinance must be passed by the council amend-ing this particular the ordinance orig-inally passed.
